

## Palace of Culture

The Palace of Culture was built and put into operation in 1980. There is a big hall with 888 soft seats, rooms for reservation of properties and conducting the classes. In the big hall there is a sound system and curtain in national style of Bukhara.

In the Palace of Culture there are 5 clubs and classes are conducted by qualified employees. And about 500 talented students participate at this club.

The ensemble of the modern palace was created in the Palace of Culture and continues to hold celebrations at the Institute.
